NASHVILLE GIRLS SEND BOX TO MEN FROM FRANCE

AUTOS WANTED FOR CANNING CLUB PARADE.

Entertainment Committee Women's Service League to Give Military Ball.

A military ball for the officers at Fort Oglethorpe was announced Tuesday morning by Miss Zella Armstrong, chairman of entertainment of the National League for Women's Service.

The date for the ball was not decided on, but the opinion prevails that it will be a Halloween affair. It will be given in the auditorium of the court-house.

Mrs. D. E. Beckham, chairman of the hospital work, told of a box sent by the Nashville girls for the men at the hospital from overseas. The box came from the girls' auxiliary, of which Miss Mary Ratterman is president. It contained one knitted quilt, 10 comfort bags, 10 scrap books and 3 cartons of cigarettes. One carton was left by the committee at the Red Cross convalescent home.

It was announced that the Parent-Teachers' association would furnish the lunches for 150 canning club girls next Tuesday in connection with the service league. This will be the canning club girls' day at the district fair and they will form into a parade before lunch time.

Mrs. Mary Giles Howard asked in behalf of Mrs. J. B. Lauderdale, who is in charge of the canning club demonstration, that automobiles be furnished for these girls for the parade.

As a result of lunches served at Belvoir farm on traction demonstration day, Mrs. P. A. Brawner, chairman, reported \$55 turned over to the treasurer. Quite a lot of sandwiches were left over. These were donated by Mrs. D. P. Montague to the canteen committee for that day. Soon after the sandwiches were delivered a long troop train came in, and the boys were served two and three sandwiches with their coffee.

An amusing incident was related of a major and captain who were taking dinner Sunday with Mrs. Kate Gillespie on Lookout mountain. Some privates were noticed near the house and the question arose as to whether they had had their dinner. The army officers, who were asked, and all said they had not been to dinner. The officers most graciously yielded the point. The result was that the privates were invited to dinner and the major and captain served them.

Mrs. John Fouché presented a plan for making "hot lunch" dolls to be placed in the knitting booth at the district fair.

FOSTERED BY AMERICA
Berlin Press So Accuses Germans of Democratic Trend.

Amsterdam, Wednesday, Sept. 21.—The Lokal Anzeiger of Berlin makes the discovery that the "Branda of the left" as it calls the adherents of the demand for the democratization of Germany originated abroad and is under direct American influence.

At The Hague, the newspaper says, there exists a German defeatist center whose members seem to have free access to the German legation, where foreign Secretary Von Hintze is not held in high esteem. Among those defeatists, it declared, American elements are at work, and they apparently are.

have succeeded in establishing this conviction that President Wilson's motives are pure and that he has the real welfare of the German nation at heart. The Lokal Anzeiger also declares that another such center exists at Copenhagen and that the views of those "political conspirators" are insinuated into the public life of Germany by the means of democratic newspapers. It alleges that the opinion, however, that the American fighting man on the western front gives a better clue to America's intention toward Germany than these political "back-siders," whose activities nevertheless "seem to have President Wilson's blessing."

QUARANTINE MAY SPOIL FOOTBALL
Government Provision Causes Halt in Plans of Big Colleges.

Chicago, Sept. 25.—The question of placing football under quarantine during the first two weeks of the school year is to come up for decision at the meeting of the American Athletic Union, which is the assembly of the faculty representatives of big ten colleges, it was learned today.

The meeting was originally called to obtain the opinions of the faculty representatives on the advisability
